

## J-1 PROFESSIONAL EXCHANGE PROGRAMS

# SHAREDVISION

You've decided that an internship at a U.S. company is the perfect way to launch a successful career. But finding a position with the right company can be a challenge — especially if you're halfway around the world.

### Prepare for success with a preferred position in Boston, New York, or San Francisco.

SharedVision Placement Plus can connect you with innovative, industry-leading host organizations in three of the most dynamic cities in the United States. With a proven placement process that takes into account your experience and your strengths, we'll carefully match you with the right opportunities, and help you secure a position that meets your unique academic and career goals.

### Available in a range of disciplines and program durations, our comprehensive placement package includes:

- Personalized matching, placement, and onboarding
- Full-time opportunities — on a semester, summer, or customized basis
- A network of host organizations in three of the top U.S. cities — Boston, San Francisco, and New York City
- Assistance with your housing search
- Résumé review and revision
- Half-day city and workplace orientation
- Monthly professional development activities
- Stipend of at least \$1,500 per month (for programs lasting for 6 or more months)

SHAREDVISION PLACEMENT PLUS IS MADE POSSIBLE THROUGH THE EXTENSIVE, HIGHLY SPECIALIZED RESOURCES OF ACADEMIC INTERNSHIP COUNCIL(AIC) DIVISION.

AIC's depth of experience increases global internship opportunities.

By combining our unmatched global infrastructure with AIC's broad network of international and domestic internship opportunities, we're able to connect you with innovative host organizations in the most dynamic cities in the United States.

# THE RIGHT PLACEMENT, IN AN AMAZING CITY!

Whether you're looking for a position with a cutting-edge start-up, a leading multinational business, or a respected NGO, we'll help you secure an internship that will pave the way for future success.

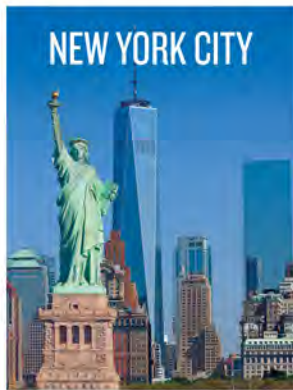

A dynamic and historic hub of intellectual achievement and entrepreneurship, Boston is one of the world's great academic centers, home to more than 30 colleges and universities. It is also a center of innovation and business activity in a range of industry sectors — from finance and technology to health care and marketing.

The “birthplace of the American Revolution,” Boston brings American history alive. The city also offers a wide variety of cultural activities, including world-famous museums, theater, dance, music, and sports. Boston is a beautiful and manageable city, easily explored with its excellent public transportation system.

## Internship programs in the Boston area include:

- Arts & culture, graphic design, and web design
- Business, finance, and accounting
- Health care, environment, and education
- Hospitality, travel, and tourism
- Marketing, communications, and public relations
- Politics, law, and NGOs

America's most cosmopolitan city, the “Big Apple” is home to opportunity seekers from around the world. New York is a global economic powerhouse, from finance to fashion, and communications to commerce. It is also a world-class center of culture and entertainment.

Home to such icons as Carnegie Hall, Broadway, the Guggenheim Museum, and Yankee Stadium, New York offers boundless opportunities to engage your interests while you build your professional skills and confidence in one of the most diverse and dynamic cities on earth.

## Internship programs in the New York area include:

- Arts, culture, and history
- Business, finance, and accounting
- Communications, media, and film
- Education, health care, and nutrition
- Fashion, design, and style
- Journalism, publishing, and editorial
- Marketing and advertising
- Politics, law, and NGOs

The San Francisco Bay Area combines natural beauty and a rich history with vibrant commerce. A dynamic center of business activity of all kinds, Latin American, Asian, and European influences come together to produce a unique and distinctive global culture. And just a short drive south is Silicon Valley, the worldwide epicenter of technology innovation and research.

Famous for the Golden Gate Bridge and its quaint cable cars, the Bay Area is rich in colorful ethnic neighborhoods, as well as world-class museums, avant-garde theater and dance, and a vibrant music scene. A short drive away are Napa Valley and Sonoma Valley, the heart of U.S. wine country.

## Internship programs in the San Francisco Bay area include:

- Arts and culture
- Business, finance, and economics
- Communications
- Health care, social issues, and education
- Politics, law, and NGOs
- Technology, engineering, and research
- Television, film, and journalism
